

March for Jesus Is Not...

March for Jesus is Not a Protest

Protests are necessary since our message of truth often confronts the world's values. But the specific purpose of this occasion is to positively declare who we are for, not what we are against.

March for Jesus is Not Issues-Oriented

No matter how passionately we feel about an issue, Jesus remains center stage during the March. We exclude causes we disagree with as well as the ones we believe in.

March for Jesus is Not Personality-Oriented

There are many men and women who are worthy of our respect, but on this day all recognition, honor and thanks go to Jesus. He is the Name above all names!

**“WORTHY
IS THE
LAMB”**

The Primary Purpose

March for Jesus is a national event that unites the entire body of Christ in cities across the nation for one purpose: to worship Jesus. He deserves to receive extravagant praise in full public view as a living testimony from a living church to a living God.

Lavishing love on Jesus is our agenda. The March creates an atmosphere for evangelism, prayer efforts, and reconciliation, because Jesus is the primary focus.

2021 National Theme “WORTHY IS THE LAMB”

In a loud voice they were saying: “Worthy is the Lamb, who was slain, to receive power and wealth and wisdom and strength and honor and glory and praise!”

Revelation 5:12

*“A procession of praise through
the streets of the city,
celebrating the Lordship of
Jesus Christ and culminating in
a grand worship event in which
Christians publicly proclaim the
Glory, the Majesty and the
Supremacy of Savior.”*
